Blessed are You, Lord God of all creation,
for You have brought everything into existence and
You are great and mighty in power.

You fill us with joy at the beauty and grandeur of nature, and wonder at the vastness of space and the microscopic world. We thank You for those special times when we feel so at one with Your creation that it evokes an impulse to recreate the moment in art, literature, music and crafts. We praise You, Father Almighty, in the name of Jesus. Amen.

Please note: *The JaM Group does not meet today but there will be activities for young children in the Welcome Area with parental guidance, and also crèche with a helper.*
